

Join us from 10AM-4PM for great music, free boat rides, hands-on demonstrations, kid's activities, Junior Ranger programs, and fun activities for the whole family.

### Explore Salem Maritime National Historic Site

Visit the historic buildings and replica tall ship of Salem Maritime National Historic Site, staffed by National Park Service staff and volunteers.

•**U.S. Custom House, Public Stores and Scale House.** See inside the Custom House, including the 1826 eagle and Nathaniel Hawthorne's office.

•**Narbonne House.** Visit this 1675 house and learn what archeology has taught us about the lives of families in the 17th and 18th centuries.

•**Pedrick Store House.** Explore this sail loft, warehouse & workshop - originally located in Marblehead. (Limited hours.)

•**Friendship of Salem.** Speak with rangers and volunteers aboard this replica Dutch East Indiaman to learn about the lives of sailors, captains, and the merchants of Salem.

•**Derby House Gardens.** Stroll through the Derby House Garden. All the plants in the garden would have been available to colonial house-wives like Elizabeth Crowninshield Derby for both medicinal and culinary purposes.

•**Orientation Center.** Watch the 18-minute film "To the Farthest Port of the Rich East" shown on the half hour and shop for souvenirs.

•**Hawkes House Yard**  
Join reenactors for "tea and conversation."

### Event Highlights

**Salem Kayaks**  
Enjoy free kayak rides at Derby Beach

**USS Constitution Drill Team**

## Free Boat Rides Around Salem Sound via Lottery (Begins 11AM)

Visitors are invited to enter a free drawing for one 90-minute boat ride (limit 4 per party) on the vessel of their choice. Tickets may be secured via a lottery held 30 minutes prior to each cruise departure. **Children under the age of 16 must be accompanied by an adult.**

- **Fame (12:00 & 1:45)** is a full-scale replica of a fast Chebacco fishing schooner that was reborn as a privateer when the War of 1812 broke out. Passengers learn about the fishermen, pirates, privateers, traders and men of war who shaped the North Shore.

- **Ardelle (12:15 & 2:00)** is an authentic, indigenous traditionally built, Cape Ann vessel out of Gloucester's historic waterfront. She is designed, built, owned and cap-tained by National Heritage Fellow Harold Burnham.

- **Endeavour (12:30 & 2:15)** is a 45-foot catamaran operated by the non-profit Sea Station founded to provide the public with better access to and appreciation of the life within our coastal waters and promote on-the-water maritime education, research and conservation.
